Phi Beta Kappa (2025)

Psi Chi Psychology Honor Society (2024)

Anne T. Palamountain Scholar Award (2024)

Jane Anne Hapeman Distinguished Service Award (2024)

Dean's List (all college semesters; Fall 2021 – May 2024)

RESEARCH EXPERIENCE

Lab Coordinator, Cooperation Lab, Boston College

PI: Dr. Katherine McAuliffe

(Fall 2024 – Present)

- Serve as point person for up to five research projects at a time: designing new and follow-up studies, collecting, analyzing, and coding quantitative and qualitative data, writing and implementing feedback on manuscript for first author submission
- Construct IRB protocols, amendments, and revisions across all studies and lines of work
- Hire, train, and onboard all new lab personnel including BC RAs and full-time interns
- Manage lab's expenses, including organizing monthly p-card reconciliation and all expense reports
- Create schedule for and oversee 10-week summer internship, which includes a series of professional development seminars, R-coding workshops, journal clubs, and lab meeting, while fostering community among interns and ascertaining and implementing feedback on an individual and lab-wide level
- Lead lab meetings, journal clubs, professional development seminars, and skill-building workshops
- Mentor and run small team of RAs while broadly supporting all undergraduate RAs

Primary Researcher, Dance Department, Skidmore College

PI: Dr. Sarah DiPasquale

(Spring 2023 – Spring 2024)

- Review, summarize, and analyze previous articles on athletes' hamstring injuries and needs, dance's effect on athletes, and various psychological and anatomical measures to conduct a literature review
- Co-write and edit the IRB proposal to get research approval, and write a grant proposal for Skidmore's Student Opportunity Fund to support equipment purchase
- Develop and become proficient in the research procedure and methods with support of Dr. DiPasquale
- Collect, analyze, and present pilot data at Skidmore College's Academic Festival

Research Assistant, Early Learning Lab, Skidmore College

PI: Dr. Erica Wojcik

(Fall 2023 – Spring 2024)

- Work collaboratively with peers to create presentations that analyze and interpret empirical data
- Train and oversee research assistants in the transcription and coding of current data
- Collect child participant data and work with Dr. Wojcik to refine the coding/scoring rubrics
- Construct an abstract proposal and poster for the Eastern Psychological Association Conference
- Develop grant writing skills to obtain funding for travel via Skidmore's Travel to Present Funds

CLINICAL EXPERIENCE

Intern, Four Winds Hospital

(June 2023-August 2023)

- Assist in the supervision of children ages 5-12 with psychological disorders in school, skills-building activities, and social interactions
- Observe best practices for the supervision and treatment of pediatric psychological disorders, attending a daily meeting of therapists, a nurse practitioner, and a psychiatrist

School Psychology Shadowing, Walnut Street Elementary School

Supervisor: Dr. René Small

(January 2022)

- Observe administration of psychological assessments, interventions, in-classroom observations, consultations with teachers and parents, and CSE (Committee on Special Education) meetings
- Shadow, and, where possible, assist in, individual and group counseling sessions
- Gain an understanding of the development and implementation of IEPs and BIPs and the extensive network of people essential for helping students access the services they need to succeed

PROFESSIONAL EXPERIENCE

Peer Mentor, Skidmore College Office of First-Year Experience

(Fall 2022–Spring 2023, Fall 2023–Spring 2024)

- Serve as a resource and a social and academic role model for first-year students enrolled in "Human Dilemmas" taught by Dr. Catherine Berheide and "Ideal Worlds" taught by Dr. Mao Chen
- Present resources and information each week about on-campus programs, policies, opportunities, and planned events to familiarize students with campus and the Saratoga area
- Hold office hours and assisted students with class papers, course registration, and questions or issues with their transition to college life

Community Assistant, Skidmore College Office of Residential Life

(Fall 2023 – Spring 2024)

- Support a team of resident assistants (RAs) via office hours and leading portions of biweekly team meetings and work as part of a larger team
- Plan and execute large-scale programming for an apartment village

Resident Assistant, Skidmore College Office of Residential Life

(Fall 2022–Summer 2023)

- Counsel and advise students on a variety of topics such as roommate conflicts, acclimating to college as a first-year, academics, and mental health
- Plan and implement programs to educate residents on a wide variety of topics, including sustainability, well-being, DEI, and fire safety, while fostering a sense of community

Head Guide, Skidmore College Office of Admissions

(Spring 2022 – Spring 2024)

- Provide positive experience for prospective families on tours and information sessions
- Promoted to Shadow Guide in Fall 2022, which entailed ensuring the quality of tours by providing constructive feedback after shadowing active guides and new hires
- Promoted to Head Guide in Spring 2023, which encompassed shadowing active guides, participating in the training and certification of new guides, co-managing the scheduling of all guides, and attending weekly meetings with other Head Guides and supervisors

Water Safety Instructor, Hofstra Summer Camp

(Summer 2021–Summer 2024)

- Instruct children ages 4-14 in swimming lessons and help them become comfortable in the water
- Lead and offer guidance to less experienced counselors, and work effectively as part of a team to contribute to a positive overall camp experience for campers

FELLOWSHIPS

Ignite Fellowship, Teach for America

(Spring 2024, Spring 2025)

- Tutor 3rd/4th-grade students three to four times per week to improve their reading/math skills
- Prepare lessons to engage students using a gradual release model and engage students in goal setting, critical thinking, and active learning
- Collaborate with supervisors to support students and implement feedback to improve lessons

VOLUNTEERING & SERVICE

Workshop in Social Cognitive Development Co-Planner

(Spring 2026–Summer 2026)

- Co-plan local conference to bring together researchers from across New England and provide presentation opportunities for junior members of the field under the supervision of Drs. McAuliffe and Ashley Thomas
- Create application, collaboratively blindly review abstracts, and create conference program
- Draft and send regular communication to attendees soliciting interests for discussion group and providing updates on abstract decisions and conference logistics

Boston College Social Psychology Seminar Co-Planner

(Fall 2025–Spring 2026)

- Collaborate with faculty advisor and co-planner to identify and secure external speakers while coordinating the schedule to permit for intradepartmental speaker opportunities
- Send regular updates to department in advance of each seminar
- Coordinate external speakers' visit, including a trainee lunch and 1-on-1s following their talk

Friday Night Supper Program Volunteer

(February 2025 – Present)

- Assist chef in preparing the meal and set up space before service begins
- Sort, inventory, and organize clothing donations to fill and distribute clothing orders
- Serve meals, create to-go packages, distribute non-perishable food to guests, work together to clean
